OBJECTIVE

Innovating in the fields of Computer Security

EDUCATION

Massachusetts Institute of Technology, Cambridge, MA **Graduation Date: June 2012**
6-2 – S.B. and Master's in Electrical Engineering and Computer Science

WORK EXPERIENCE

Vanqeri Technologies February 2011–Present
Contractor

Google Summer 2011
Security Team Intern

Computer Science and Artificial Intelligence Lab, MIT May 2010–June 2011
Computer Security UROP

SELECTED COURSE–WORK

6.824 *Distributed Computer System Engineering* Spring 2011
6.857 *Network and Computer Security* Spring 2011
6.820 *Foundation of Program Analysis* Fall 2010
6.033 *Computer System Engineering* Spring 2010
6.858 *Computer Systems Security* Fall 2009
6.431 *Graduate Applied Probability* Spring 2009
6.035 *Computer Language Engineering* Spring 2009
6.034 *Intro to Artificial Intelligence* Fall 2008

SKILLS

Software Proficiencies – Network Infrastructure, Web Security, Linux

AWARDS

- Qualifying Team CSAW CTF Quals – Fall 2008
